Alta B Red

Alta B Red is one of the earliest Wagner blends and was created to suit the tastes of - and consequently named in honor of - Bill Wagner's mother, Alta Button Wagner. This semi-sweet, soft red wine has always been one of Wagner's most popular selections. The grape varieties in Alta B Red include DeChaunac, Rougeon and Geneva Red. We recommend serving this wine chilled. Enjoy with light foods, as an aperitif, or as a refreshing alternative to wine coolers.
